

—time saved on one job
pays for the
Kawalle Automatic Mitre Box

AS one man said: "I can do the whole job in less time with the KAWALLE than the figuring alone takes the old way."

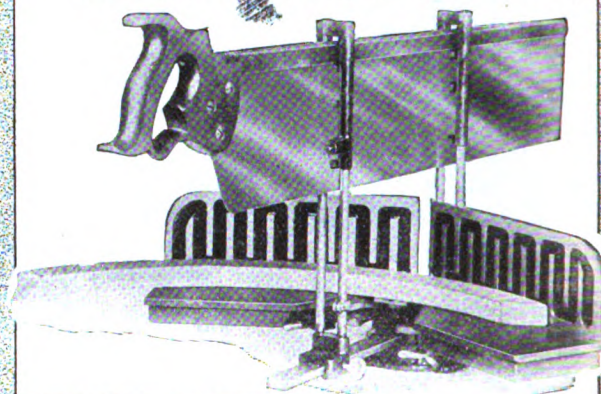

It will automatically do a quicker and better job than you can by laborious figuring.

The true center of any corner or the true radius cut of any circle found in a moment's time; no puzzling about degrees or diameters.

Kawalle Automatic Mitre Box Co.
